APPOINTMENT TIME

Your time with the provider is reserved for you but unfortunately if you are over 15 minutes late we will have to reschedule.

INSURANCE

We verify your insurance the day before you appointment. For questions on copay amount or update your insurance, call our main number and select option 5 or visit our website.

CHILDREN UNDER 10

For the safety & comfort of your children and our patients, we ask you do not bring children under the age of 10 with you to your visit.

MEDICATION REFILLS

Your provider will give you enough medication to make it to your next scheduled appointment. If you have not showed or cancelled your last appointment, before we review your refill request you must schedule your next appointment. Prior Authorization can take 3-5 days to process.

CONTROLLED SUBSTANCES

Adderall, Vyvanse, Focalin and Concerta are controlled substances. **Before prescribing** a controlled substance your provider will require additional information such as **ADHD testing, review of past medical records and trial medication.** Your provider may also look at refill records maintained by Texas State Board of Pharmacy or require a toxicology screen. They may also look at medical and psychological conditions that may interfere with the safe treatment of attention disorders.
